Teacher

My name is Daniel Mosblack, but everyone calls me Dan. I was born in Chicago, and I moved to Wisconsin when I was 10 years old. In high school I started playing the guitar and have continued the hobby up to now. You might even see me carrying my ukulele around because it is more portable than a full-sized guitar. My other hobbies include: playing golf and tennis (or any other racket sport), snorkelling, and hiking. I studied mathematics at the University of Minnesota and moved to Spain immediately after I graduated. I lived in Valdepeñas for one year, and then, I moved to Mallorca. I have lived here ever since.

Grading

A final grade will be obtained by combining scores achieved from in-class **participation** (30%) and a **final exam** (70%). The final exam will include: a written portion (reading, writing, listening, and use of English), which will account for 70% of the exam grade; and an oral examination/conversation with another student about one of the topics covered in class.

Students should attend at least 80% of classes in order to be eligible to sit for the exam. If you think this will not be possible, please speak with me.
